Challenge to predict future events

Comparison of different Nat Cat models:

Expected loss
in million

May 2014: Bosnia and Herzegovina experienced its severest floods in the last 120 years with the city of Šamac being heavily affected

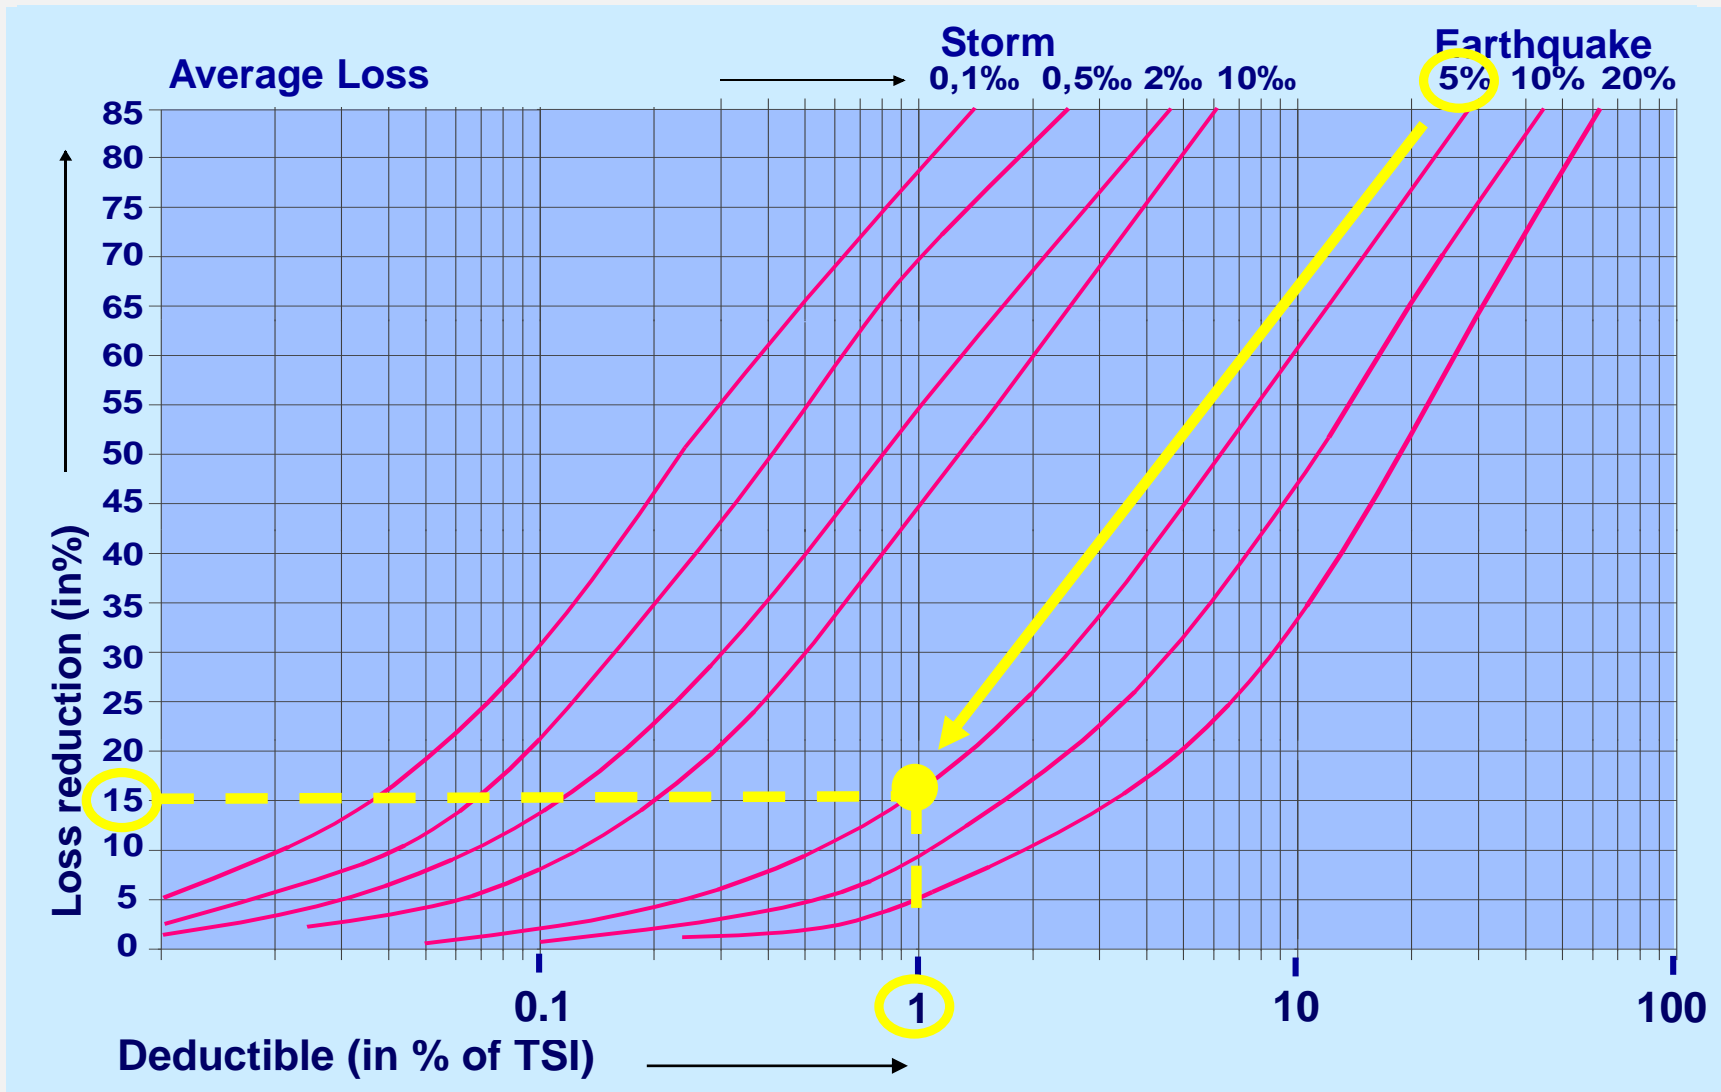

April 2015 Mayor of Šamac:

“We are immensely grateful for the timely and generous assistance that the EU has provided through its Floods Recovery Programme for rehabilitation of homes...”, said Savo Minić, Mayor of Šamac.
